

Friday 16<sup>th</sup> February 2024

### **Red Nose Day March 2024**

Dear Parents and Carers,

For over 35 years, Comic Relief has entertained and inspired wonderful people like you to give generously to support people living incredibly tough lives. This popular charity states that, "We've laughed, we've cried, swum rivers and climbed mountains, Cliff Richard and the Spice Girls released singles (separately!), and, together, we've helped over 105 million people. That's amazing, and thank you for any part you played in that."

Once again at St Joseph's we want to encourage our children to be part of this national effort to raise funds for people in need.

To help support this charity we plan on holding a non-uniform day on **Friday 15 March 2024** with the request of a donation of £1 as the 'price' for the children to come to school in clothes of their choice!

Please help us by supporting your child/ren to participate in this event.

We thank you for your continued support in helping our children to be witness to their faith through charitable acts.

Yours sincerely,

Mrs C Dunne  
Headteacher
